

KidArt at Cub Run

KidArt is a well-established art program for elementary school age children. Trained artists teach children about a variety of artists and art movements. Children develop their creativity using student-grade and professional-grade materials. All supplies for the program are provided by KidArt.

KidArt will be offered as a 10 week session during the fall on Tuesdays starting Oct. 4, 2011. The location will be in _____. If you are interested in having your child participate in the KidArt program, please fill out the bottom of this flyer and return it to the Cub Run office no later than **September 23**. Please include a check for \$140.00 made payable to Cub Run PTA (KidArt is sponsored by the Cub Run PTA).

It's recommended that along with a great attitude, children bring a healthy snack and a long, work shirt to class.
